PRESENTS

R&R:

RESPECT AND RESPONSIBLITY

Interested in the issues and intricacies of racial justice in the U.S., now and in the past?

Faith in Diversity is organizing a monthly discussion group of the ideas, assumptions, and practices that make up the spectrum of racial justice—past and present—in our community and in our country. The goal of this group is community-building through information and understanding. Experts from a variety of fields will make topical presentations, readings will be suggested (no quizzes, though!), and discussions will follow.

Dates and location to be announced. Send us an email to info@orhamidbar.org for more information.
