

# FEDERATION & COMMUNITY

## VIRTUAL PROGRAMS

### **VIRTUAL LEARNING FOR COMMUNITY**

Beginning this August, Jewish Federation invites you to join us and be part of our Beit Midrash (House of Learning) over a virtual platform for interactive learning in our Beit Midrash for immersive study taking place on Zoom.

Building both knowledge and friendship with like-minded peers over a shared passion for intellectually engaged and spiritually rich study.

Though we will be physically distant, you will have the opportunity to learn with our local Rabbis and engage in analyzing the book; **Judaism's 10 Best Ideas by Arthur Green.**

**You will be challenged to ask questions and be active participants in thought-provoking discussions.**

**\*\*** Social distancing is challenging for anyone, but for Jews, many of our traditions and rituals center around togetherness and sharing. While these measures are a necessary precaution, thanks to today's technology, we can continue to practice our values in accordance with the times. To that end, we look forward to your participation.
